These breakfasts aim to gather young professionals working within Catholic Social Services and provide an opportunity to meet new people, explore social justice leadership and engage with a 'wisdom figure' within our sector. Our guest for this session is Tony Nicholson.

Tony Nicholson is the Non-Executive Director and Board Chair of VincentCare Victoria, Victoria's leading homelessness and housing agency. Tony served as the Executive Director for the Brotherhood of St Laurence for 13 years and prior to this he was the Chief Executive Officer at Hanover Welfare Service (now Launch Housing). Tony began as a young social worker in the early 1980s and has since worked extensively in the homelessness sector.
